In light of the current lockdown, we are unable to hold our annual 1000Women1Voice luncheon that was scheduled to be held at the CTICC. However, we will not let that stop us!

TIME FOR LUNCH

The annual 1000 women luncheon will be a virtual affair this year. We are not letting the lockdown keep us from having an amazing time with our girlfriends. Have you seen our mouth-watering virtual menu prepared by the most fantastic cooks? We are pulling out all the stops this year for the most amazing culinary experience! Make sure to keep an eye on our social media pages when we reveal our menu.

COMPETITION TIME

Send us a photo of your home-cooked gourmet lunch and you can win a voucher to the value of R1500 from our friends at Pick n Pay. Creative entries welcome (yes, your little ones can draw a lobster with some caviar and a glass of bubbly to enter 😊)
