1000 Women Luncheon

After the luncheon Mrs Wendy Ackerman made a sizable donation to our ongoing food securities programme. The South African Government proposes to control and possibly stop the distribution of hot meals to our communities. We can not allow our kids to go hungry, we declare war on hunger. Please help us by signing and sharing our petition - Hands off our kitchens! Through the 1000 Trust networks, we serve 1000s of meals to vulnerable communities.

Keep up the amazing work you are doing in the community. We are proud to feed the hungry, train trauma counsellors, speak out against gender-based violence and be your voice when you don't have one. Please follow us on social media and sign up for our newsletter to stay up to date with all our projects. Until we meet again - stay safe.

Circle the date for
our 2021 luncheon
on 13 May...
